

### CUTAWAY SUPERCHARGER

GM CHEVROLET COBALT  
(SHOWN)

A ConsuLab custom supercharger cutaway can be developed from any application or vehicle of your choice. The components can be provided by ConsuLab or the customer.

#### EDUCATIONAL ADVANTAGES

- Supercharger application of your choice.
- Able to rotate supercharger by hand for demonstration purposes.
- Provides students with full accessibility to observe all internal components of a supercharger and how they interact with each other.
